ROSIE PRESENTS... BRITAIN'S SEXIEST NEW BOOBS!

Miss Jones invites her mates round – and they're hot!

Rosie Jones is a very persuasive girl. So when she called us up and asked – or should we say demanded – that we let her bring some of her sexy pals along to her latest *Nuts* shoot, who were we to argue? We're sure you'll agree we made the right choice! ➔

Hi Rosie! You're fronting Britain's Sexiest New Boobs. Who's the fittest of the new lasses? That's

such a mean question! I couldn't pick one because they're all my friends, they're all gorgeous and they all have lovely boobies!

If you had to build a perfect woman from all the girls here, whose bits would go where?

She'd have Holly's boobs, as they're huge. Emily's craziness. India's face. Stacey's legs. And the rest of Daisy, as she's my best bud. To be fair, all the girls have great bodies, so take your pick!

If you're at a club and fancy a snog, what kind of bloke do you look for? The normal ones who are out for a laugh, as opposed to the ones who are just standing there trying to look pretty. I'd much rather go for a guy who's dancing around and making himself look a tw*t!

What was the last dirty thought you had? I was working at a big underwear convention in Birmingham at the weekend and everywhere you looked, there were people in their underwear. I had a good gawp at everyone!

Do you have any phobias? I have a really weird fear of windows. I have to stay in the middle of a room because I think a gust of wind is going to blow me out! I'm not scared of spiders, though.

So you'd be up for going on I'm A Celebrity...? Definitely. But I wouldn't want to eat anything, because that's really cruel. Bugs have feelings, too, you know!

Finally, if you were going to treat a guy to a night of passion, what could he expect? I'd dress up in something really sexy. But the outfit would depend on the guy. Some would like the kinky bondage thing, while some would like pretty underwear. I'd just do whatever he wanted! ➡

"I knew I shouldn't have put my vest on a boil wash!"

HELLO

STACEY!

Hi Stacey! How does it feel to be a brand-new *Nuts* girl? It's great!

This is my first-ever *Nuts* shoot. But all these girls are my friends, so it's like a big reunion. If you could make your perfect woman out of all the girls on this shoot, what would she be like? She'd have India's hair. Holly's boobs. Rosie's washboard stomach. Daisy's legs – they're really toned because she used to do gymnastics. And Emily's personality because she's crazy. Oh, there's nothing there from me. How about my little toe?

Tell us a secret about yourself...

I'm very flexible. I can get my leg over my head. It comes in handy!

What kind of things make you laugh? Just goofing around.

The funniest girl here is Emily. She's just so random. India's a funny one, too. We were on a casting the other day and during our break, we went out to a shop. She just had a mac on with heels and a bikini underneath!

How often do you have sexy thoughts? Every day! If I'm on a train or a plane, I think about getting it on in the toilets. I'd love to join the mile-high club.

What's the nicest thing you've ever done for a bloke? I once organised a surprise party for a boyfriend. He was moaning because none of his friends had texted him, but when I took him to this restaurant, loads of his friends were waiting there with a cake shaped like boobs!

Finally, if you're planning on having some sexy time in the bedroom, what will you wear?

A sexy corset and suspenders with some high heels. And if he's lucky, I'll leave the heels on! ➔

HELLO

my name is

(INDIA!)

Hi India! You're not really a new *Nuts* girl, are you?

No, I've been around for ages! It's still exciting to be here, though. I like all the brightly coloured underwear we've got. It's nice to wear fancy lingerie but this is more playful.

Why are you so sexy? Because I have big boobs! Although I feel rather inadequate with Holly's big knockers around. I like to think I've always been sexy but I'm clumsy, so probably not!

If you could be any animal, what would you be? A tiger. They're from India – like my name – they look really glamorous and no one messes with them. Oh, and they have really cute babies!

Do you ever go out on the pull? Every time I go out! I haven't had a fella since July and it's ruining my life slightly. I don't like going up to people, though, as I'm shy. I'd rather they approached me.

How should they approach you? Just come over and be nice. Some boys come up and the first thing they ask me is, "Can I have your number?" They should chat to me for a bit and see where it goes.

What's your favourite rude website? I don't go on any rude websites. What ones are there? Maybe I need to get introduced to some. I'm far more innocent than you think! Ha-ha!

Finally, describe your ultimate one-night stand. I don't really do one-night stands but if I was going to, it would be with [the rapper] Nelly. Or would it? No, I want to marry him, not have a one-night stand. Do you know Noel Clarke from *Kidulthood*? I'd pick him. We'd meet in a club, then go to a hotel with a Jacuzzi. We'd rip each other's clothes off halfway through the door, then have sex everywhere. In the Jacuzzi, the shower, the bed. We wouldn't leave anywhere out! ➡

"Er, about half a kilo, I'd guess"

"Ketchup stain?
What ketchup
stain?"

Hi Daisy! It's great to have you in our Britain's Sexiest New Boobs feature. Didn't Rosie get you into modelling? Bless her. We were chatting in a club toilet after a few drinks and she made me show her my boobs. She told me I should send some pics into *Nuts*, so a few months later I did. **Speaking of club toilets, have you ever done the deed in one?** No, I'm too nice! When I went to Crete, it was awful. Each night, you'd go down to the beach and see all these random people doing it on sunbeds. Then the next day, you'd sit on them and wonder what you were catching! **Do blokes ever chat you up on a night out?** Well, me and the other girls in this shoot shared a hotel room a few weeks ago and when we went back after a night out, these random blokes tried to follow us up to our room. We practically had to fight them off! **Blimey! What kind of films do you like?** I love English gangster films. I can't pick my favourite between *Lock, Stock And Two Smoking Barrels* and *Snatch*. I love Harry Potter, too. I think he's quite hot. Have you seen him recently? He's got quite buff! **How often are you in the mood for rudeness?** It depends on how busy I am. If I've had a long day, all I want to do is sit in bed and watch *EastEnders* and *Holby City*. But if I've had a drink at the weekend, I tend to feel horny! **Finally, if you wanted a bloke to buy you a drink, how would you go about it?** I don't think I'd say anything. It would all be done with looks. Or maybe a cheeky squeeze of the bum. That's guaranteed to work!

HELLO
my name is
EM!

Hi Em! Are you excited to be in our Sexiest New Boobs feature? Really excited, yeah! This is my first *Nuts* shoot and I'm doing it with my best mates. I hadn't met Holly before but she seems like a keeper. She's lovely.

What makes you laugh? I like stupid jokes and toilet humour, and I love going to comedy clubs. Russell Howard is my favourite comedian. He's wicked.

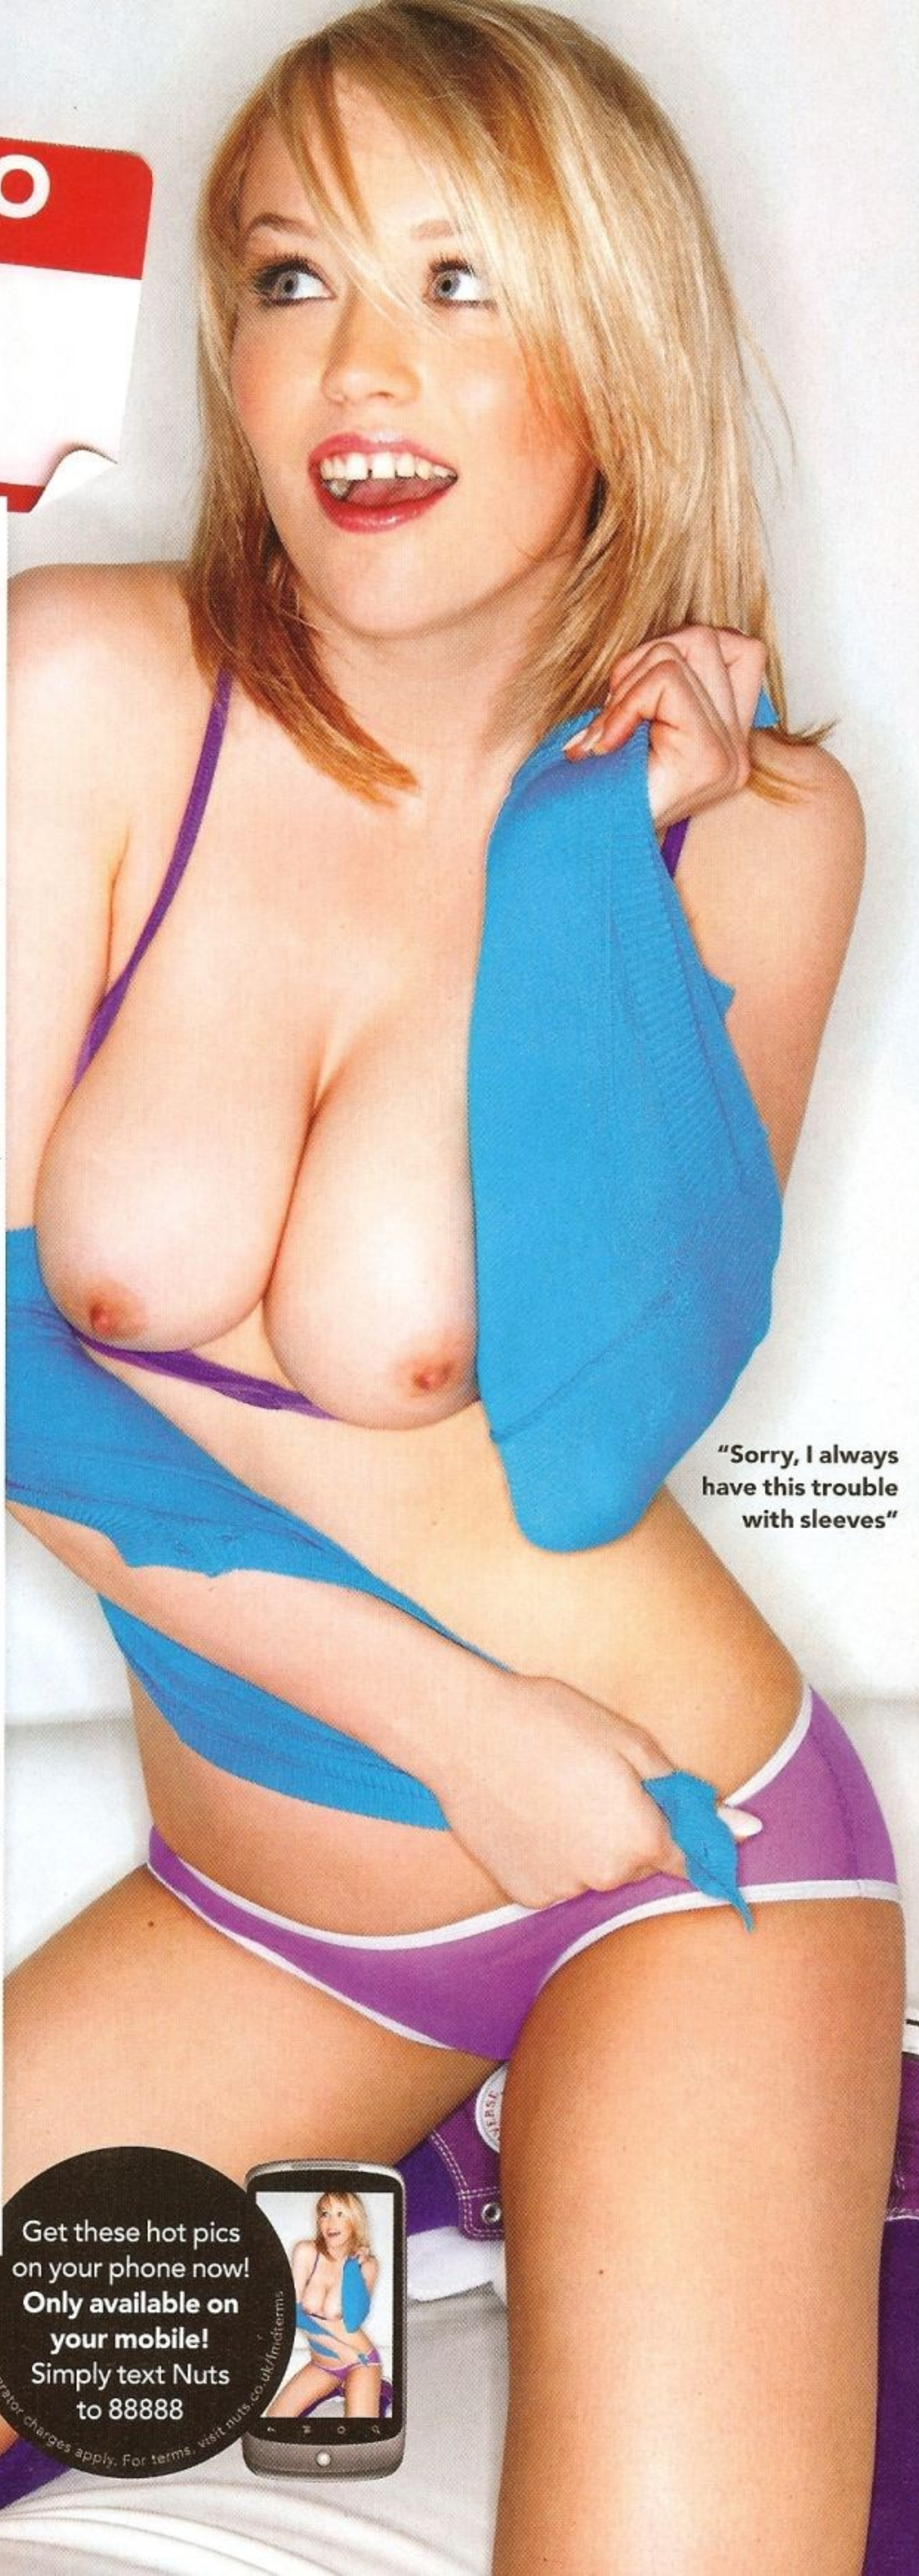

In the bedroom, do you like to dominate or be dominated? I like the man to be dominant but it depends on how I feel at the time. I might have a passionate moment when I want to be loving and attentive, or I might want to get the whips out!

Crikey! Describe your ideal man. He'd have lovely eyes – you can tell exactly who someone is from their eyes – and a smiley face. And I don't like horrible feet!

When you go out on the pull, do you have pulling pants? No! I don't really care what I dress in. I'll happily wear a T-shirt and jeans to a club. If I was trying to impress someone, I might wear a figure-hugging dress. But I wouldn't want it to look tarty, because you go out and all the girls dress the same. It's boring.

What makes you angry? I lost my temper on the train yesterday because it was packed and this bloke was trying to push past me. He was like, "You shouldn't be on at this time with a suitcase, you f**king blonde, ignorant woman!" I was like, "Oh, my God! You're such an arsehole!"

You're like a sexy superhero! If you were a superhero, what would your power be? To be able to fly. That would be so cool! ➔

NEW BOOBS

"Are you sure I can't come in the shopping centre in my hoodie?"

HELLO
my name is
HOLLY!

Hi Holly! How does it feel to be one of the new **Nuts** girls? I love it! How could it be anything but awesome to hang about with all these girls and get my boobs out?

Describe yourself in three words.

I'm loud, outgoing and a bit silly. Not in a stupid way, but I do daft things from time to time!

Do you know any jokes? What do you call a Frenchman wearing sandals? Phillippe Phillope!

That's terrible! Have you got any strange hobbies? I really like cooking. I like to get a recipe and mess with it. My speciality is chicken stuffed with goat's cheese and tarragon. I'm also in training for a charity run, but I'm unfit so I'm struggling massively!

If you got us round to yours for chicken with goat's cheese, how should we make our move? First, you should tell me how amazing my dinner was – and do use the word amazing, because then I'll feel good about myself. Bring me round a nice bottle of wine to get me in the mood. Then... actually, after the compliments, I'll pretty much be yours! Ha-ha!

What do you look for in a fella? I like confident men. I don't like it when they suggest things in a roundabout way. Guys, just look me in the eye and say, "I'm staying at your house tonight and we're gonna get it on!"

How many times a day do you think about sex? I think about sex in completely random places. There's something about me being on a train or a bus that makes me think about sex! Maybe it's the vibrations. If you're ever on the bus next to me and I'm pulling a funny face, you'll know what I'm thinking! ■
